What we can do to help our neighbors who need housing

Go with others from CUCC

Take a 1 hour shift at the **White Flag Shelter** for women. Ask Angelika Teuber about her experience making coffee and setting up cots.

Be one of CUCC's 3 board members at **RICH Park Housing's** quarterly meetings. Ask Charles Coble about his experience on the board.

Become an Advocacy Ambassador with **Habitat for Humanity of Wake County**. Ask Jim Smith about the orientation and his experience as an Ambassador.

Check on your friends. While no one wants to be nosy, if you know that a friend is struggling to pay their utilities, rent or mortgage, be a listening ear and ask (don't assume) how you can help.

Put a donation to a local housing non-profit on your Christmas wish list.
CUCC supports these housing non-profits.

Benevolence Farm
Friends of Residents in Long-Term Care
Habitat for Humanity of Wake County
Healing Transitions
Helen Wright Center for Women
InterAct of Wake County

Pray... for guidance on how you can help, for our neighbors who have nowhere to sleep or can't afford their heat, for staff and volunteers at housing agencies, for county, city, and town elected officials.
